• Difference between blue & red? City Limits.

• Parking at new Civic Center?

• Westborough/Chestnut/ECL - Pedestrian safety? Kd

• Westborough Hwy - Valley View feeds to Seville connects to Avalon Dr. and feeds 280 - worst traffic area - speed bumps - URGENTLY Req'd (contact Harry Gidwani) former Bk & Rec Comm

• any paving on treendale?

• Cheery Ave - manhole is not flush to street. Street not level.

• Valleyview Way: finished product not good, loose gravel.

• parking issue everywhere esp re all proposed development.

• Spruce - speed bump at top Hill! Traffic calming.

• any new landscaping should include Jarmine plants or hedges.

Cuesta (200 block) x Alta Mesa - Large tree root across road!

You do great work! #SegwaySF

blue = overlay  
green = slurry seal

- Difference between slurry seal and overlay

- \* When is Winston Manor going to be paved \*

- ~~Fairway~~ W. Orange (Fairway to El Co) make 2-way street.

- Traffic concern regarding new Civic Center.

- <sup>(behind El Camino)</sup> Crestwood / Evergreen needs speed bump along Dellbrook.

- Trees on S. Airport along Bike lane should be removed.

- El Camino near Kaiser entrance, big pothole that hasn't been fixed.

- Mission b/w Oak & Sequoia needs sidewalk

- Street lighting on Mission Rd from BART to Oak Ave.

- Flood zone along Mission Rd. (what can be done)

Measure W - Town Hall

⇒ Sonny Koya: request for the paving plan

Schuyler@yahoo.com

• Claremont & Hillside

① - on Claremonte, lot of broken pavement caused by tree roots @ 105 Claremont w/ a huge tree. tree should be replaced. homeowner unavailable.

- city should help homeowners maintain their sidewalk.

② 112 Claremont: footpath is broken.

owner planted bushes, too close to cars that park @ sidewalk.

- should not put bushes only concrete.

③ cracks up & down the s/w on Claremont

⇒ CA Golf Club of SF should be a public space.

Acacia/Third Lane needs ADA

Grand/Bolores needs paving

Clare Lane when? (Annunziata) 10 Lilac Lane sinkhole  
586 Rocca sinkhole

Sidewalks included in paving program?

What to do if resident wants to take care of planting strip?

(encroachment permit, must be permeable concrete)

Geddes Ct → seal treatment (messy)

How long until the MSB is torn down and the new developments pay to help fund the civic center campus?

113 CLAREMONT PLASTER STRIP BTW SW & CURB  
OVERBROWN/NO SPACE
